If you haven’t learned 7.4.2 completely yet, you are gonna be back again frequently, regularly, incessantly, steadily, ceaselessly, often, continuously.

I have always avoided glitter because they are messy, resulting in fallouts all over my face, and they always seem “too much” to wear everyday.

Of economic activity has brought some dreaded standardisation to our lives but not so much as to scrub it.

It will help the learner to discriminate between reportable events and events that are of concern.
