Simmer the cranberries with apples, aromatic vegetables, raisins, and sugar.

"I couldn't figure out why it bothered me so much to smack him in the face," she says.

The Syrian leader, whose Alawite sect is derived from Shi'ite Islam, has support from Iran and the armed Lebanese Shi'ite movement Hezbollah.

But the biggest weakness of the HD25-1 is the size of its soundstage.

Thanks for coming up with such valuable, safe, informative and even unique thoughts on this topic to Janet.
